THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2012-323-WS - Application of Kiawah Island Utility, Incorporated for Retroactive Approval of the Cougar Island Aquifer Storage and Recovery (ASR) System Site Purchase -
Discuss this Matter with the Commission.

COMMISSION ACTION:

Kiawah Island Utility, Inc. has requested that it not be required to notify each customer of its application for retroactive approval of the Cougar Island Aquifer Storage and Recovery (ASR) System site purchase due to the nature of its application and the expense, estimated to be approximately \$2,500, of such notification. It is my opinion that notice to each customer is warranted and should be provided. However, as stated in the Commission's transmittal letter to Kiawah Island Utilities, Inc., the company can provide notice to each customer by U.S. mail, including post cards, or by electronic mail. To the extent that electronic mail or postcards are used, the cost of providing notice to each customer could be much lower than the \$2,500 estimate.
